Entomologist's Certificate of Nursery Inspection

This is to certify that on August 24, 1903, I examined personally the nursery and premises of the Geneva Nurseries, Youngers & Co., proprietors, Geneva, Neb., and find no San Jose Scale nor indication that it has ever been present in the nursery or its vicinity, and the stock is apparently in a healthy condition and free from all other dangerous insect pests. This certificate is good for one year from date.

LAWRENCE BRUNER,
State Entomologist.

ANNOUNCEMENT

TO THE TRADE:

In presenting our price list for Spring of 1904 we wish to state that we are better prepared than ever before to execute orders promptly and carefully. We have recently completed a large frost-proof storage cellar and packing house, and can make shipment at any time desired. Our stock is all young and thrifty, absolutely free from insects or disease.

Our shipping facilities are excellent. We have the B. & M. and C. & N. W. railroads, and the Adams and American express companies.

We pack in the most thorough manner in boxes and bales, for which we make a reasonable charge. We make no charge for delivery to the railroads.

We will use every precaution for the safe and rapid transportation of the goods, but will not be held responsible for any delay or damage to stock in transit. In every case stock travels at purchaser's risk.

In ordering please state plainly age, size and price of stock wanted as noted in this list, also how you want the goods shipped, whether by freight or express and by what route. In the absence of such instructions we will forward to the best of our judgment.

In the selection of varieties we will follow the wishes of the purchaser as far as the assortment of stock will permit, but we reserve the right to substitute unless expressly ordered to the contrary. If the grade of stock ordered is exhausted, we reserve the right to fill the order with a higher grade of stock at the price, however, of the grade ordered.

GUARANTEE OF GENUINENESS—While we exercise the greatest care to have all stock true to label, it is mutually agreed between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally paid for the stock that may prove untrue.

TERMS—Cash, unless specially agreed otherwise. Remit by bank draft postoffice or express money order. C. O. D. orders must be accompanied by one-fourth the amount of the order. Telegraph orders from known responsible parties will receive prompt attention. In telegraphing use the Nurseryman's Code.

The issuing of this list abrogates all former quotations. Prices quoted are for the Spring of 1904, are subject to change without notice, and are for the quantities specified, except that 5 trees will be furnished at 10 rates, 50 at 100 and 500 at 1,000 rates.

CAUTION: We accept all orders upon the condition that they shall be void, should any injury befall the stock from frost, fire or other causes over which we have no control.

All claims for reductions from whatever cause must be made at once upon receipt of goods.

Dealers will find our packing facilities unexcelled in the west.

Address all correspondence and make all remittances payable to

Youngers & Co.,
Geneva, Nebraska.
